CARBINE 9mm

now you can own an UZI.

...in fact, you can own two; the world famous UZI Carbine, and the exciting, new UZI Pistol. Both are 9mm semi-automatics designed and manufactured in Israel by Israel Military Industries whose reputation for producing the world's best firearms is legendary. IMI manufactures each gun to the highest standards and subjects each gun to rigid inspection procedures—the most stringent in the industry.

The UZI Carbine and Pistol are exclusively imported by Action Arms Ltd., Philadelphia, PA. We offer complete service facilities as well as convenient domestic warehousing of genuine UZI parts, accessories and memorabilia. To see and purchase the UZI Carbine, Pistol, accessories and memorabilia, visit your favorite firearms or sporting goods store.

UZI 9mm Carbine

Designed by the inventor of the UZI Submachine Gun, Action Arms' UZI Carbine incorporates modifications to meet U.S. Federal regulations.

In appearance, it is virtually identical to the Submachine Gun, except for a longer barrel. The recently introduced UZI Model B incorporates new, easy-to-use click-adjustable front and rear sights that permit maximum utilization of the gun's amazing accuracy capabilities.

UZI 9mm Pistol

Action Arms and IMI, responding to the consumer demand for a smaller UZI semi-automatic, are pleased to introduce the new 9mm UZI Pistol. Like the Carbine, its simplicity of design, rugged reliability, perfect balance and numerous safety features assure the UZI Pistol a place in firearms history. And, like the Carbine, it is destined to provide collectors, sportsmen and gun enthusiasts with understandable pride in owning one of the finest firearms ever manufactured.

Your UZI 9mm Semi-Automatic Pistol is delivered in a molded plastic carrying case with a 20-round magazine and a detailed owner's manual. The UZI Pistol will also accept both the 25 and 32 round magazines.
