

action arms ltd.

P.O. BOX 9573, PHILADELPHIA, PA 19124 Tel: (215) 744-0100

Thank you for your interest in Action Arms products.

The name UZI has become synonymous with high quality, reliability and performance under the harshest of conditions. History has proven the UZI Submachine Gun to be the finest ever designed, and it has become one of a few legendary firearms.

The 9mm UZI Semi Automatic Carbine was adapted from the SMG by the original designer, Col. Uzi Gal (Ret.), to meet the needs of the United States and its shooting public. The Semi Automatic possesses all the qualities that has made the SMG a small arms masterpiece, and has itself become a benchmark by which others are judged.

Enclosed is a complimentary full color brochure describing the UZI Semi Automatic Carbine as well as available accessories and memorabilia.

For information on obtaining an UZI Semi Automatic Carbine, please contact your local gun dealer or one of our Distributors (listed on reverse).

For the professional or the collector, for use under adverse conditions or for the casual plinker -- get the one that fires accurately and dependably every time -- UZI, THE BEST THERE IS.

Yours very truly,
Action Arms, Ltd.
